

2013

FootScope

October is Foot Health Month and, to celebrate, we're bringing you a FootScope full of fun!

For the big kids

Can you find the following words?

- | | | | |
|------------|---------|-----------|-------------------|
| Feet | Shoes | Ankle | Foot Health Month |
| Podiatrist | Blister | Orthotics | Bones |
| Nails | Ulcers | Injury | Heels |
| Warts | Bunion | Toes | Clinic |

A foot health message from Proactive Podiatry

For the little kids

All of these feet need to visit a podiatrist! Can you match each coloured foot with the right podiatry clinic?

For the kid in ALL OF US!

Mum said to Evan: “Evan, you’ve got your boots on the wrong feet.”

Evan replied: “But mum, these are the only feet I have!”

Q. What is the name of the orthotists’ seal of approval?

A. An ortho – tick!

Q. How do ghosts keep their feet dry?

A. By wearing booo-ts.

Q. Why do giraffes have long necks?

A. Because they have smelly feet!

Q. Why are feet like ancient tales?

A. Because they are leg-ends.

Q. What colour socks do bears wear?

A. They don’t wear socks, they have bear feet!

Did you hear about the two podiatrists who didn’t like each other? They were arch rivals!
